Announcement

We are pleased to announce that the proposal sent to establish a club named “Software Development Club” has been approved by our respected Director Sir forwarded by Dean-R&D Sir dated 10-09-2021.

SDC will provide a platform to establish a competitive coding environment in the college and help students to recognize their hidden talents.

We are looking for students to join our team. There are many volunteer opportunities and many others that may suit your interests and skills.

Following are list of posts available for the students of third and second year:

- **Member of Developer Team**
- **Member of Design Team**
- **Member of Graphic Designer Team**
- **Member of Content Writer Team**
- **Member of Student Convener Team**

Interested students for the above posts are requested to apply on the below link:

<https://forms.gle/QV31LKk5FKmxVMA29>

“UNITY is STRENGTH”-Only when we are united we can enjoy the taste of success. We need your support to build, grow and sustain our club. We also welcome suggestions regarding events and venues, special interests and programming, contact at other clubs and other ideas to help shape the SDC.

Soon, an inauguration ceremony of SDC will be held.

Please stay tuned for future announcements and ways to engage with the club.

With warm regards

Noor Mohammad

General Secretary- SDC

Copy to:

1. Dean R&D Sir- for information please.

Dated: September 10, 2021

Subject: Proposal to establish 'Software Development Club' in college.

Sir

With great honor and utmost respect, it is to inform you that we have developed a will to establish a club for students who are interested in the computer science and technology. The club would provide a platform to establish a competitive coding environment in the college.

Previously, a coding club was started in college by our seniors but it was not success.

Respected sir, there are students who have skills but due to lack of platform, they fail to recognize it.

We would be pleased to work under your guidance. I hope you would pay your kind attention on this proposal and bless us with your decision.

Hope for your kind consideration.

Thanking You

Yours sincerely

NOOR MOHAMMAD

IT 3rd Year

(Class Representative)

Enclosure:

- 1) Proposed Draft
